(Either Machine)

Difference between the 7060EX/AX and 7065EX/AX

1. The 7060EX/AX has the air actuated bead breaker control mounted on the handle of the bead breaker and does not have the storage cabinet.
 2. The 7065EX/AX has the air actuated bead breaker control on a foot pedal and does have the storage cabinet.
- (All other specifications are exactly the same)

1250-3D

1255-3D

**1250-3D
Your Price
\$5050.00**

**1255-3D
Your Price
\$5,550.00**

\$300.00
 Factory
 Mail-In
 Rebate Until
 April 2nd
 2010.

Difference between the 1250-3D and the 1255-3D

The 1255-3D has Econo Balance and the 1250-3D does not. Both balancers have exactly the same specifications other than the Econo Balance software! Econo Balance eliminates the static balance then calculates the least weight needed to bring dynamic within acceptable limits using less weights.
